MEMBERSHIPS OF SCIENTIFIC SOCIETIES

2021- Convenor for the ERS/EULAR guideline development for CTD-ILD
2021- Member of EULAR Quality of Care committee
2019-2022 General Secretary of EUSTAR
2019 Scientific committee member scleroderma world congress
2018- Leader of the Norwegian SSc study group
2018-2021 Scientific committee member Scandinavian rheumatology conference 2021
2018- Steering committee member of the Nordic PH vision group
2018- Member of the Norwegian Pulmonary hypertension study group

2017-2021 Norwegian representative for EULAR “Standing Committee of Investigative Rheumatology”

MAJOR GRANTS (after 2014)

2022 National funding for the IIS Nor-mILDer strategy trial
2021 Simon Fougner Hartmans Familiefond for home monitoring development
2021 Unrestricted research grant Boehringer-Ingelheim
2019-2020 PhD/PD scholarships
2016-2018 PhD/PD scholarships
2020 Unrestricted research grant Boehringer-Ingelheim
2019 Unrestricted research grant Boehringer-Ingelheim
2018 National funding for phase-2 IIS ReSScue trial
2018 Travel grant HSØ
2015-2018 Postdoc scholarships
2015-2018 Patient and patient organization donation

TRACK RECORD

H-index 24. Total citations: 1.911 (web of science, 16.06.22)

Total number of publications: 173.

First/shared first authorship: 19. Second author: 6. Senior/shared senior author: 7. Original articles: 80, including publications in JACC, AJRCCM; Lancet journals; Annals Rheum Dis, Arthritis Rheumatol, Nature Commun, Euro Resp J, Chest, PNAS.

Reviews or commentaries: 14. Book chapters: 3; EULAR SSc online course chapter: 2
